SANDRA WALKER

Miss Walker To Assume CIA Duties

Grass Lake - (Special) - Miss Sandra Walker left Saturday for Washington, D.C., to assume a position as a secretary in the Central Intelligence Agency.

Her appointment followed an interview with a government representative at Cleary College at Ypsilanti, where she graduated in June from an advanced secretarial course with special honors. The interview practice was adopted for the first time this year at Cleary.

Miss Walker graduated from the local school in 1960. She is a member of the local Methodist Church where she has been especially active in the youth group. Mr. and Mrs. Leo Walker, Union street, are her parents.
